

Electronic invoicing via email

Dear Sir or Madam,

In order to come up with the omnipresent topic of digitalisation in connection with the protection of our environment, UIC GmbH introduces the electronic processing of invoices. Therefore, we would prefer that you send us your invoices as a PDF document by email. This also has advantages for you as a supplier and service provider: You save printing costs, the way to the post office and postage fees. In addition, the time saved in all instances of invoice processing leads to an earlier receipt of payment on your account.

Our email address for invoices in PDF format is:

invoice@inbox.uic-gmbh.de

Please note the following requirements for electronic invoice processing:

This email inbox is monitored mechanically and is **only** for invoicing. **Emails that contain other documents (e.g. delivery notes, order confirmations, advertising, etc.) can neither be processed nor answered.**

The email inbox invoice@inbox.uic-gmbh.de only applies to the following invoice recipient:

UIC GmbH
Am Neuen Berg 4, 63755 Alzenau-Hörstein

Only **(1) emails** with **one (1) invoice** attached in the form of **one (1) PDF document** can be processed. Any attachments must be part of this one (1) PDF invoice. Since only the attached PDF file will be processed, no billing-relevant information may be contained in the header or in the body of the email.

The PDF invoice must contain all invoice-relevant information required in accordance with Section 14 (4) and Section 14a (5) UStG in a generally readable form.

Please support the efficient processing and timely payment of your invoices by observing the following:

- **If possible list invoice items according to order items**
- **Issue one invoice for each order**
- **Pay attention to clearly readable image resolution and good contrast (black and white preferred, avoid pale text colour and coloured background, etc.)**
- **Use normal fonts (no script fonts, etc.)**

Invoice receipts with attachments that require a paper-based shipping method according to other legal provisions (export certificates, customs documents, disposal certificates, etc.) remain unaffected by these regulations.
