

Management Systems:

ISO 9001 Quality Management Systems
ISO 14001 Environment Management System
SCC^P Safety Certificate Contractors
ISO 45001 Occupational Health and Safety Management System
Safety Culture Ladder Version 4.2
ISO 50001 Energy Management
FPAL Quality, Health & Safety, Environment, Competence & Training

Certification according to Water Resources Law:

WHG Water Resources Law

DVGW:

GW 301 General pipeline construction
GW 302 Trenchless laying and rehabilitation of pipelines not in operation
GW 381 Construction companies in underground line construction
GW 11 Cathodic corrosion protection
FW 601 District heating pipelines
G468-1 Inspection of gas pipelines
G493-1 Gas pressure regulator plants, biogas feeder plants (natural gas, biogas, hydrogen)
G493-2 Maintenance of gas pressure regulating stations (natural gas, biogas, hydrogen)
W 120-2 Drillings for ground heat sensors

Welding Technology and Quality Assurance:

DIN EN 1090 Welding Steel Constructions
DIN EN ISO 17660-1 Welding Reinforcing Steel
AD 2000 HP 0 Welding Technology Manufacturing Welding Equipment
ISO 3834-2 Welding Quality Standard
EN 13445-4 Unfired Pressure Vessels - Fabrication
EN 13480-4 Metallic Industrial Piping – Fabrication and Installation
EN 12952-5 Water-tube boilers and auxiliary installations – workmanship and construction of pressure parts of the boiler
CE 0036 Product Safety internal production control Module A2
CE 0045 Conformity Quality Assurance Module H
ASME ‚R‘ metallic repairs and/or alterations
ASME ‚U‘ Manufacture of pressure vessels
UL 508A industrial control panels

Nuclear Plants:

KTA 1401 Quality assurance

Others:

China licence
Proof of pre-qualification „earthworks and special foundation engineering“
Proof of pre-qualification „structural engineering“
Proof of pre-qualification „construction work on cables - cable routing systems incl. civil engineering“
Proof of pre-qualification acc. to PQ-VOB, DQB
RAL-GZ 962/2 quality mark cable line engineering
IEC 62443 Industrial IT Security – Control Systems and Components
Drilling Contractors Association (DCA-Europe)
Certification acc. to § 6 ChemKlimaschutzV
General type approval for leak protection linings made of steel, type STR-B and type STR-T, for flat-bottom tanks
